

V C CUMBRIA EXPERIMENTAL DIVISIONAL LEAGUE

V C Cumbria proposed divisional league rules.

- 1) Four new divisions are to be created. In addition to the league table of all V C Cumbria riders.
- 2) Riders will be placed in one of the four divisions based upon their average speed for a 10 mile time trial.
- 3) A riders average speed will be calculated from all club 10 mile time-trials (league events) completed by the rider during the previous season.
- 4) Riders must be 1st or 2nd claim members of V C Cumbria to be eligible to compete in the league divisions.
- 5) In the event that a rider has not completed any 10 mile time trials in the previous season, then they will be placed in a division based upon their average speed for the first club 10 mile time trial they complete in the current season.
- 6) The same points and rules on the number of races to be completed etc as used for the league table of all VC members.
- 7) The new divisions for the 2009 season will be:-
